Team Invitation

Team registration for the 16th Annual South LA Spring League is now open.

The league offers opportunities for teams to play at various levels of competition. Teams are pooled based on their rating. We typically have two or three pools from EXTRA/All Star level to developmental level.

Tournament teams are welcomed. These teams will get a bye on the schedule on the weekends they are away at tournaments. Most teams in the league are tournament teams.

Teams providing a full 3 person referee team will be accepted as soon as their application is complete.
